Bergen based Fender Marine A.S. teams up with RaetsMarine Insurance B.V. to offer P&I and Charterers' Liability insurance to the Scandinavian Marine Market.

Established in 2005, Fender Marine is a specialized company within marine insurance offering a wide range of insurance solutions for clients working in the marine industry.

Established in 1993, RaetsMarine Insurance B.V. is a leading worldwide operating fixed premium provider specialized in Protection and Indemnity insurance and Charterers' Liability Insurance.

Fender will be offering P&I and Charterers' Liability insurance on behalf of RaetsMarine. The amalgamation of Fender Marine's intrinsic local expertise with the specialist knowledge and service of RaetsMarine will provide an unrivalled combination.

Tore Høisæther, Director of Fender Marine said:

"Our mutual expertise in combination with the bespoke insurance solutions that we offer results in what we believe to be a fresh and unique proposition to the Scandinavian Market"

Bert Scheper, Underwriting Director of RaetsMarine said:

"The cooperation with Fender Marine provides us an excellent gateway to the Scandinavian Market. Fender's knowledge of the local market will allow us to grow our business in the Scandinavian Market".
